ELEMENTARY

General Plan of the Conference

A full program which will include Social Studies, Art, Reading, Music and Science has been set up for each grade group. Teachers schould choose the grade level at which they wish to work and join that group as the same material will be given for each grade level. Since the schedule is full and is closely timed, it will be appreciated if everyone will move promptly when it is necessary.

Administrators should join the grade level they desire and work with that grade. On Tuesday afternoon, 1:15 - 2:15, however, the administrators will meet as a group to discuss Elementary Assemblies, Report Cards, Testing Programs, etc.

PLEASE NOTE THAT ELEMENTARY TEACHERS HAVE A GENERAL MEETING WITH MISS BEARDSLEY IN THE CENTRAL SCHOOL AUDITORIUM, MONDAY, OCTOBER 3, FROM 10:00 - 10:45 (CORRECTION ON PROGRAM).
